

Intel® AI Global Impact Festival 2025

Are you a student innovator interested in applying AI to make an impact?

Here is a chance to showcase your innovative AI solutions at a Global platform – the **AI Changemakers Competition**.

What?

Intel® AI Global Impact Festival competition for student innovators to enter their innovative, impactful AI-based projects, built on Intel technologies.

When?

Date	
June 17, 2025	Project Submissions Open
July 5, 2025	Last Date for Project Submission

Where?

To submit your project, scan the QR code or click on the link below:
<https://forms.gle/cziQ5ZEhpqkZKPpZ6>

Who?

Students (individual or in a team of up to 3) in two age categories:

- 13–17 years
- 18 years and above

How to Enter?

Complete the submission entry form with:

- Project Title (max 10 words)
- Project Description (max 150 words)
- A 120-second project demonstration video(max 60 MB in size) in either mp4, wmv, flv, or avi format. Subtitles should be added if the video is not in English. There may be a penalty for videos longer than 2 minutes.
- A portion of the video needs to feature the project team speaking directly to the camera.
- Submissions must come from an active student (or team of up to 3 students) in a K-12 or higher education/vocational institution.
- It is suggested to use your voice in the video and use English subtitles where required. AI-generated Voiceover is not allowed.
- Complete, sign and upload consent forms.
